Gymnastics Schedule

Thank you for inquiring about our gymnastics classes! We look forward to working with your child. The Williams Center is open year-round with classes running on a month-to-month basis. We do, however, make slight changes to our schedule during different seasons.

To enroll in a class, check the class availability and experience level. Then, fill out a registration form, return the form along with the \$30 registration fee to the office. This will reserve your child's spot in the class. Some classes are full and have waiting lists.
